Catch-up lessons 2020

Please let me know at least 24 hours in advance if your child is unable to attend at his/her designated time. If your child is sick on the day, please let me know by 10am at the latest. I will do my very best to arrange for a catch up, however this will have to be taken within two weeks of the lesson missed. It may also require some flexibility on your part. Catch-ups will not be held over to the following term unless the student was sick in the last week of term.

No credit will be given during the following term for catch-ups not taken.
